COWBOY FILM IS DEATH INSPIRER

BOSTON, Mass., Nov. 21.—William J. Daly, Jr., 13, was accidentally shot and killed Sunday by his chum, Edward D. Fitzgerald. The boys were returning home from a moving picture drama of wild deeds and cowboy shooting. Fitzgerald's greatest treasure was an ancient Derringer pistol. After shooting at tomato cans Fitzgerald laughingly said, "Now, I'll use you as a target," intending to shoot over Daly's head. There was a flash and Daly pitched forward on his face.

I NEED A BATH. He passed this remark in the Olive lobby and one of the bystanders who knew his stuff said, "You'd better go to the South Bend Baths over in the Farmer's Trust building basement. They've got a Turkish bath there that makes you think you've found the Fountain of Youth." Do you need a bath? 326-14

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets. The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—simply a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver. Dr. Edwards, a well-known physician, wrote for cholera, and in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities. Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.—Adv.
